New Hope reserves the right to ask that any item distracting to the learning environment be changed or removed.

Face Masks: We view the use of face masks as an important way that we, as a community, can slow/stop the spread of COVID-19 and protect each other. All students will receive two (2) face masks at the beginning of the school year. Parents will be billed for these face masks through their FACTS accounts. If parents would like to purchase additional face masks, they will be available through Lands End and Midsouth Solutions.

Required Vendors for School Uniforms

Lands' End (online ordering, delivery to home)

Midsouth Solutions (online ordering, local delivery to school)

For more information or to place an order, please see vendor contacts on the **Resources** page of our website at www.NewHopeMemphis.org.
